Our Objectives:

- 1. Improve community capacity to inform the population about available services, options, and programs.*
- 2. Improve roadway drivability (e.g., by improving roadway signage).*
- 3. Increase awareness of older driver issues among law enforcement, physicians, service providers, and older adults themselves.*
- 4. Educate older drivers about age-related changes that affect driving.*
- 5. Identify at-risk older drivers and provide remediation and other supportive services (role of DMV, physicians, family, etc.).*
- 6. Improve and expand service options for people who can't or don't want to continue driving.*
